Dear Sirs.

So many sales have been on hand lately that I have been almost continuously absent since the receipt of your letter.

But I put aside as many as I could of the desired lots on its receipt & have at last despatched them in 2 separate registered parcels, contents as per invoice herewith.

It is very difficult to get them through as such are forbidden by this route & diplomacy is necessary to accomplish it.

However I hope they will go through & reach you safely & the

satisfactory

Arrent No 787 I thought I sent it separately at £33 but as it is a large sum perhaps you will consider if you can pay that for rent a few before risking the journey?

I am extremely sorry to keep you waiting so long but it was unavoidable & the pressure of work has almost made me ill.

Yours faithfully
H. C. Wright

P.S. Can I do anything for you at Colonel Ellis's sale of colonials next month?

Dear Sirs

I am this day in receipt of your favour of 21st inst: & enclosures for which my best thanks

You have however, forgotten to account for No 727. aureus of Lucius Verus. If it was not returned you omitted it in the list of Nos.

Excepting this piece at 37/6 the sum sent £4.12.6 is correct.

Now as regards discount just look over leaf & see how low my initial prices are & if I can afford to give you "Stevenson"?

I should like to make a difference to you, but what can I do under the circumstances?

Yours very sincerely
W. Weight
